Feline Friend

Feline Friends spend quality time with the cats, socializing them and helping to keep their apartments clean. You will also work with members of the public and help them find a cat that is purr-fect for their home.

Dog Walker

Dog Walkers do just that – they walk the dogs for exercise, provide enrichment using appropriate equipment and help teach the dogs basic obedience. At times, you will also interact with members of the public to help them find their new best friend and clean up after the dogs, whether outside for a walk, in the play yard or in their rooms.

Canine Companion

Canine Companions spend their time indoors with the dogs and help show animals to visitors and potential adopters. You will also do some light cleaning if dogs have accidents in their rooms during the day, play with them in the play yard, and provide lots of one-on-one petting time in their rooms.

Miscellaneous
